**Subject: REQUEST FOR CONGRESSIONAL OVERSIGHT and INVESTIGATION INTO THE ANOMALOUS TRANSACTION OF "NON-APPEARANCES" IN THE PROCESS OF REGISTRATION OF MOTOR VEHICLES IN THE LAND TRANSPORTATION OFFICE**

Dear Hon. Chairman Pumaren:

On behalf of the officers and members of the **Private Emission Testing Center Owners Association (PETCOA)**, are writing to urgently seek your intervention regarding ongoing anomalous transactions within the Land Transportation Office (LTO). Specifically, we wish to report the prevalence of "non-appearance" (NA) cases, where motor vehicles are being registered while completely bypassing mandatory emission inspection and testing.

Our association has repeatedly reached out to the LTO, providing documented evidence of these NA transactions and requesting the reinstatement of strict adherence to lawful registration requirements. However, the LTO Management Information Division (LTO-MID) has dismissed these concerns, asserting that such transactions are "regular, valid, and without traces of anomalies".

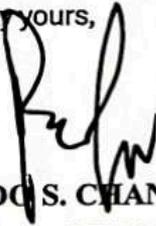

We strongly contest this position because a closer analysis of the data provided by the LTO-MID itself reveals clear indicators of manipulation and fraudulent activity. This circumvention of the law not only compromises the integrity of the LTO motor vehicle registration system, circumventing the Philippine Clean Air Act, but also poses a direct threat to public health and road safety.

Attached for your review are our previous correspondences and the supporting evidence of these "non-appearance" transactions.

As the House Chair of the Transportation Committee, we believe your intercession is vital to ensuring that the lawful requirements for emission inspection and testing are fully restored and protected within the LTO registration system. We respectfully request a congressional oversight hearing or investigation to hold the responsible parties accountable and to safeguard the environment and the public.

Thank you for your dedicated service and for your attention to this critical matter.

Respectfully yours,

A handwritten signature in black ink, appearing to read 'Bernardo S. Chang, Jr.', written over the printed name.

**BERNARDO S. CHANG, JR.**

TIME: 2:08  
BY: Andro

Subject: **REQUEST FOR INVESTIGATION**

Dear Atty. Gloovy;

We respectfully request your good office to undertake an investigation on a possible Non-Appearance case. Please see attached LTO official receipt.

The vehicle with plate JAG7228 was registered at LTO Cebu. Emission test was performed by STM Emission Testing Center PMVIC located in Pasig City, Metro Manila on the same day. We were informed that the vehicle was in Cebu on the date of renewal/testing.

The PMVIC MVIR showed visual and emission tests only.

Your prompt/immediate action will be highly appreciated. More power to your office.

Thank you.

Respectfully yours,

**BERNARDO S. CHANG, JR.**  
Chairman, PETCOA

Subject: **REQUEST FOR INVESTIGATION, INCIDENCES OF NON-APPEARANCE**

Dear Director,

On behalf of the members and officers of the Private Emission Testing Center Owners Association (PETCOA), we are writing to respectfully request a thorough investigation into reported cases of vehicle registration without the required emission testing. We have received multiple reports of vehicles being registered through "non-appearance," meaning they did not undergo the necessary testing at either a Private Emission Testing Center (PETC) or a Private Motor Vehicle Inspection Center (PMVIC).

This practice doesn't just undermine the integrity of vehicle registration; it also poses a serious risk to public health and safety by letting polluting vehicles on our roads. This kind of "non-appearance" also helps spread corruption, something the Secretary is working hard to stop. We believe these fraudulent registrations are only possible through the collaboration of individuals in Land Transportation Office (LTO) district offices, Private Motor Vehicle Inspection Centers (PMVICs), Private Emission Testing Centers (PETCs) and those with unauthorized access to the LTO registration system (LTMS or Stradcom program).

As a specific example, we have attached a list of suspicious registrations, including a unit with plate number NCA9944, which was registered at the LTO La Loma District Office allegedly undergoing an emission test from a PMVIC.

We urge you to investigate these allegations and provide us with official records from the LTO registration system and, if possible, from the PMVIC/PETC IT service providers to confirm whether these vehicles were indeed tested. This information is crucial for our association to encourage our members to report unusual activities and to protect the integrity of the emission program.

We are confident that your immediate attention to this matter will help us ensure a fair and honest system for all stakeholders. We look forward to your prompt response and collaboration in resolving this critical issue.

Sincerely,

A handwritten signature in black ink, appearing to read 'Bernardo S. Chang, Jr.', written over a faint, illegible typed name.

**Subject : Request for Records of PMVIC Inspection and/or Records of PETC Emission Test**

Dear Sirs:

It came to our attention that the below-listed motor vehicles are suspected to have undergone registration renewal without being tested or inspected in a PMVIC or PETC. Our informants have submitted their complaints and hence, this request.

We are from the Private Emission Testing Center Owners' Association (PETCOA) tasked to self-police our ranks, to uphold roadworthiness and public safety by eliminating illegal activities in the testing centers, in whatever capacity we can. These motor vehicles reported to us to have alleged by-passed emission testing and roadworthiness inspection:

	Plate Number	Description	Date Registered	LTO District Office

We understand that LTO-MID has the complete test records from PMVIC and PETC, thus you can help us with the requested information. Hoping that you can provide us with the requested LTO-MID records sourced from the data repository server, of their PMVIC inspection and/or PETC emission test, or if these vehicles do not undergo any test and inspection, for us to determine the veracity of the reported complaints.

May we also politely remind you that your obligated response to inquiries about illegal activities is covered by Republic Act 6713, the Code of Conduct and Ethical Standards for Public Officials and Employees.

Respectfully yours,

ANNEX "D"

October 22, 2025

**Bernardo S. Chang, Jr.**  
Chairman, PETCOA

**Subject:** Response to Alleged Bypassing of Emission Testing and Roadworthiness Inspection

Dear Mr. Chang,

This letter is in response to your correspondence dated **13 October 2025** regarding the alleged bypassing of emission testing and roadworthiness inspection for the motor vehicle(s) listed therein.

After thoroughly reviewing our records and cross-checking the relevant data, we respectfully clarify that the inspection dates recorded in the **PMVIC system** exactly match the dates of registration renewal processed by the **E-Patrol NCR**. This confirms that all vehicles in question complied with the required inspections, and no bypassing or irregularities occurred in the process.

Please see **Annex A** for the attached test results and supporting documentation.

Thank you for your attention and continued support.

Respectfully yours,

  
**CLAUDIO B. BON SOL JR.**  
Chief, Management Information Division

Subject : **Second Request for Records of PMVIC INSPECTION and/or Records of PETC EMISSION TEST**

Dear Sir:

Allow us to request again, another batch of PETC/PMVIC test and inspection records from LTO-MID, of below-cited motor vehicles that were registered sometime between September 29 to October 03, 2025 allegedly registered through non-appearance (NA). These motor vehicles were brought to our attention by our informants who were concerned about motor vehicle registration being renewed that bypassed the required proper test and inspection.

	Plate Number	Description	Date Registered	LTO District Office

We understand that LTO-MID has the complete test records from PMVIC and PETC, thus you can help us with the requested information. Hoping that you can provide us with the requested LTO-MID records sourced from the data repository server, of their PMVIC inspection and/or PETC emission test, or if these vehicles do not undergo any test and inspection, for us to determine the veracity of the reported complaints.

May we also politely remind you that your obligated response to inquiries about illegal activities is covered by Republic Act 6713, the Code of Conduct and Ethical Standards for Public Officials and Employees.

Respectfully yours,

A handwritten signature in black ink, appearing to read "Bernardo S. Chang, Jr.", is written over a faint, light-colored signature line.

**BERNARDO S. CHANG, JR.**

ANNEX "F"

November 04, 2025

**Bernardo S. Chang, Jr.**  
*Chairman, PETCOA*

**Subject:** Response to Alleged Bypassing of Emission Testing and Roadworthiness Inspection

Dear Mr. Chang,

This letter is in response to your correspondence dated **22 October 2025** regarding the alleged bypassing of emission testing and roadworthiness inspection for the motor vehicle(s) listed therein.

After thoroughly reviewing our records and cross-checking the relevant data, we respectfully clarify that the inspection dates recorded in the **PMVIC system** exactly match the dates of registration renewal processed by the **E-Patrol NCR**. This confirms that all vehicles in question complied with the required inspections, and no bypassing or irregularities occurred in the process.

Please see **Annex A** for the attached test results and supporting documentation.

Thank you for your attention and continued support.

Respectfully yours,

  
**CLAUDIO B. BON SOL JR.**  
*Chief, Management Information Division*

OFFICE OF THE ASSISTANT SECRETARY

RECEIVED

Mr. Markus V. Lacanilao  
 Assistant Secretary  
 Land Transportation Office  
 East Avenue, Diliman  
 Quezon City 1101

DATE: 30 OCT 2025  
 TIME: 01:10 PM  
 BY: Ann

Subject: **REPORTS ON ALLEGED NON-APPEARANCE (NA) IN VEHICLE TESTING AND REGISTRATION: REQUEST FOR INVESTIGATION**

Dear Asec. Lacanilao,

The Private Emission Testing Center Owner's Association (PETCOA) is submitting reports regarding alleged incidents of "Non-Appearance" (NA) in vehicle testing and registration. These reports concern incidences that occurred in LTO district offices, during LTO E-Patrol activities, and within Private Emission Testing Center (PETC) and Private Motor Vehicle Inspection Center (PMVIC) facilities.

We are encouraged to resubmit these reports, previously sent to past DOTr and LTO administrations, following your personal commitment to eradicate NA and corruption in the ranks of the LTO and the testing centers. We sincerely appreciate your resolute commitment to eradicating NA and improving the quality of life for our fellow Filipinos.

As you know, the practice of NA is not just a regulatory violation but a significant public health and safety issue. This form of private enterprise and public service corruption endangers the lives, limbs, and properties of citizens and imposes millions in health service costs on the country.

The attached documents detail the alleged NA incidents. We respectfully request that you conduct a thorough investigation and appropriately penalize all parties involved to effectively put a stop to these notorious and destructive NA activities.

Should you require any further information, PETCOA is very willing to extend our full assistance.

Respectfully yours,

**BERNARDO S. CHANG, JR.**  
 Chairman, PETCOA

Subject: **REQUEST FOR INVESTIGATION**

Dear Atty. Gloovy;

We respectfully request your good office to undertake an investigation on a possible Non-Appearance case. Please see attached LTO official receipt.

The vehicle with plate JAG7228 was registered at LTO Cebu. Emission test was performed by STM Emission Testing Center PMVIC located in Pasig City, Metro Manila on the same day. We were informed that the vehicle was in Cebu on the date of renewal/testing.

The PMVIC MVIR showed visual and emission tests only.

Your prompt/immediate action will be highly appreciated. More power to your office.

Thank you.

Respectfully yours,

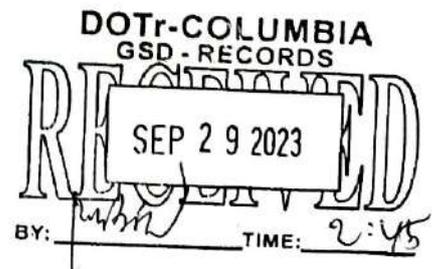

**BERNARDO S. CHANG, JR.**  
Chairman, PETCOA

Subject: **REQUEST FOR INVESTIGATION, INCIDENCES OF NON-APPEARANCE**

Dear Director,

On behalf of the members and officers of the Private Emission Testing Center Owners Association (PETCOA), we are writing to respectfully request a thorough investigation into reported cases of vehicle registration without the required emission testing. We have received multiple reports of vehicles being registered through "non-appearance," meaning they did not undergo the necessary testing at either a Private Emission Testing Center (PETC) or a Private Motor Vehicle Inspection Center (PMVIC).

This practice doesn't just undermine the integrity of vehicle registration; it also poses a serious risk to public health and safety by letting polluting vehicles on our roads. This kind of "non-appearance" also helps spread corruption, something the Secretary is working hard to stop. We believe these fraudulent registrations are only possible through the collaboration of individuals in Land Transportation Office (LTO) district offices, Private Motor Vehicle Inspection Centers (PMVICs), Private Emission Testing Centers (PETCs) and those with unauthorized access to the LTO registration system (LTMS or Stradcom program).

As a specific example, we have attached a list of suspicious registrations, including a unit with plate number NCA9944, which was registered at the LTO La Loma District Office allegedly undergoing an emission test from a PMVIC.

We urge you to investigate these allegations and provide us with official records from the LTO registration system and, if possible, from the PMVIC/PETC IT service providers to confirm whether these vehicles were indeed tested. This information is crucial for our association to encourage our members to report unusual activities and to protect the integrity of the emission program.

We are confident that your immediate attention to this matter will help us ensure a fair and honest system for all stakeholders. We look forward to your prompt response and collaboration in resolving this critical issue.

Sincerely,

A handwritten signature in black ink, appearing to read 'Bernardo S. Chang, Jr.', written over a vertical line.

**BERNARDO S. CHANG, JR.**  
*Chairman, PETCOA*

**Subject : Request for Records of PMVIC Inspection and/or Records of PETC Emission Test**

Dear Sirs:

It came to our attention that the below-listed motor vehicles are suspected to have undergone registration renewal without being tested or inspected in a PMVIC or PETC. Our informants have submitted their complaints and hence, this request.

We are from the Private Emission Testing Center Owners' Association (PETCOA) tasked to self-police our ranks, to uphold roadworthiness and public safety by eliminating illegal activities in the testing centers, in whatever capacity we can. These motor vehicles reported to us to have alleged by-passed emission testing and roadworthiness inspection:

We understand that LTO-MID has the complete test records from PMVIC and PETC, thus you can help us with the requested information. Hoping that you can provide us with the requested LTO-MID records sourced from the data repository server, of their PMVIC inspection and/or PETC emission test, or if these vehicles do not undergo any test and inspection, for us to determine the veracity of the reported complaints.

May we also politely remind you that your obligated response to inquiries about illegal activities is covered by Republic Act 6713, the Code of Conduct and Ethical Standards for Public Officials and Employees.

Respectfully yours,

A handwritten signature in black ink, appearing to read "Bernardo S. Chang, Jr.", is written over the "Respectfully yours," text.

Subject : **Second Request for Records of PMVIC INSPECTION and/or Records of PETC EMISSION TEST**

Dear Sir:

Allow us to request again, another batch of PETC/PMVIC test and inspection records from LTO-MID, of below-cited motor vehicles that were registered sometime between September 29 to October 03, 2025 allegedly registered through non-appearance (NA). These motor vehicles were brought to our attention by our informants who were concerned about motor vehicle registration being renewed that bypassed the required proper test and inspection.

 OFFICE OF THE ASSISTANT SECRETARY

Subject: **REPORTS ON ALLEGED NON-APPEARANCE (NA) IN VEHICLE TESTING AND REGISTRATION: REQUEST FOR INVESTIGATION (2)**

Dear Asec. Lacanilao,

Allow us again to report and request your thorough investigation on the alleged incidents of "Non-Appearance" (NA) in vehicle testing and registration. Attached to this letter are twelve (12) cases of suspected "non-appearance" bypassing emission and roadworthiness inspection and testing, channeled through the LTO E-Patrol which nevertheless resulted in these motor vehicles' renewal of registration.

We are saddened to know that under your watch and strict instruction that corruption will be stamped out, the practice of NA would still prevail. The corrupt practice of non-appearance is not just a regulatory violation but endangers public safety and health. This form of private enterprise and public service corruption endangers the lives, limbs, and properties of citizens and imposes millions in health service costs on the country.

The attached documents detail the alleged NA incidents. We respectfully request that you conduct a thorough investigation and appropriately penalize all parties involved to effectively put a stop to these notorious and destructive NA activities.

Should you require any further information, PETCOA is very willing to extend our full assistance.

Respectfully yours,

A handwritten signature in black ink, appearing to read "Bernardo S. Chang, Jr.", written over a horizontal line.

**BERNARDO S. CHANG, JR.**  
 Chairman, PETCOA

**Subject:** Response to Alleged Non-appearance in Vehicle Testing And Registration.

Dear Mr. Chang,

This refers to your letter dated 21 November 2025 concerning the alleged non-appearance in vehicle testing and registration of the motor vehicles identified therein.

After a thorough verification of our internal records, including a cross-check with the PMVIC database, we respectfully clarify that the inspection dates recorded in the PMVIC system are fully aligned with the corresponding dates of registration renewal processed through E-Patrol NCR. This confirms that all subject motor vehicles properly underwent the required inspections in accordance with existing regulations.

Moreover, based on the results of our verification, no evidence of emission testing fraud, bypassing, or any form of irregularity was observed in the conduct of the inspection and registration procedures.

Refer to the attached test results for your reference.

Respectfully yours,

**Mr. Claudio B. Bonsol, Jr.**  
Chief, LTO- Management Information Division  
Land Transportation Office  
East Avenue, Diliman, Quezon City

Subject: **Request for Additional Proofs to Dispel NA Allegations**

Dear Sir:

We acknowledge receipt of your letter dated November 04, 2025, which was provided in response to our inquiry concerning motor vehicles allegedly registered through "non-appearance" (NA).

We appreciate your effort to provide data suggesting that the LTO-MID database contains complete testing records for these vehicles. However, upon review of the information provided, we have identified several critical deficiencies that prevent the records from definitively dispelling the non-appearance allegations.

We respectfully request your office, through your leadership, to provide the following essential evidence that will directly address and clarify the allegations of non-appearance:

**1. Proof of Physical Vehicle Presence (Still-Pictures/Video)**

In accordance with the DOTr Department Order 2023-008, which governs PMVIC authorization, the facility is required to transmit real-time videos of vehicles while being tested to the DOTr and LTO repository servers to ensure proper testing inside the facility.

We urgently request still-pictures, clearly showing the vehicle's plate number, captured inside the PMVIC facility while the vehicles were undergoing testing.

**2. Identification of the PMVIC Facility**

The PMVIC that allegedly conducted the testing was identified as "PMVIC INC.," which we believe is a pseudonym. Furthermore, the "Inspection Reference No.," which identifies the PMVIC code in the attachment you provided, was blurred.

We checked the DOTr records of operational PMVICs and found no facility registered under the name "PMVIC INC."

We require the official and complete name and reference code of the PMVIC where these specific motor vehicles were tested.

Mansol Navida  
09/12/2025  
4:45 PM

No. 3 Roxas Street, Beltran Subdivision, Bo. Luz, LImay, Bataan  
Telephone No. (047) 244-8064 CP No. 0933-8163913  
Email address: [petcoa.inc@yahoo.com](mailto:petcoa.inc@yahoo.com) / [petcoa.inc2002@gmail.com](mailto:petcoa.inc2002@gmail.com)

### 3. Serious Violation of Vehicle Weight Limits

The most serious concern relates to the testing of heavy-duty trucks, which appears to be a clear violation of established LTO standards.

LTO MC 2020-2240 "PMVIC Inspection Standards and IRR" and MC 2020-2241 "Operating Guidelines for PMVIC" explicitly set the maximum Gross Vehicle Weight (GVW) limit that a standard PMVIC testing equipment can accommodate at 4,500 kilograms.

Your letter showed test results from the alleged "PMVIC INC." for the following trucks, which substantially exceed this limit:

Plate Number	Vehicle Description	MV File	GVW	LTO District
CCM3079	Truck Alum Van	030100000134364	8500 kgs	3001
NFZ4439	Truck Alum Van	130100001500613	8500 kgs	3001

We must be enlightened on how it is technically possible that trucks weighing 8,500 kgs GVW were tested by PMVIC brake testing equipment designed only for light vehicles under 4,500 kgs GVW.

#### Summary:

We fervently seek your cooperation and prompt response to provide these further proofs. Your timely and complete clarification is essential to upholding the regularity and integrity of the LTO-MID's PMVIC data repository and finally addressing the allegations of "non-appearance".

May we also politely remind you that, as public officials, your obligated response to inquiries concerning illegal activities and your duty to transparency are governed by Republic Act No. 6713, the Code of Conduct and Ethical Standards for Public Officials and Employees.

Thank you for your immediate action on this critical issue.

Respectfully yours,

**Subject:** Response to Alleged Bypassing of Emission Testing and Roadworthiness Inspection

Dear Mr. Chang,

This letter is in response to your correspondence dated **22 October 2025** regarding the alleged bypassing of emission testing and roadworthiness inspection for the motor vehicle(s) listed therein.

After thoroughly reviewing our records and cross-checking the relevant data, we respectfully clarify that the inspection dates recorded in the **PMVIC system** exactly match the dates of registration renewal processed by the **E-Patrol NCR**. This confirms that all vehicles in question complied with the required inspections, and no bypassing or irregularities occurred in the process.

Please see **Annex A** for the attached test results and supporting documentation.

Thank you for your attention and continued support.

Respectfully yours,

  
**CLAUDIO B. BON SOL JR.**

Subject : **Second Request for Records of PMVIC INSPECTION and/or Records of PETC EMISSION TEST**

Dear Sir:

Allow us to request again, another batch of PETC/PMVIC test and inspection records from LTO-MID, of below-cited motor vehicles that were registered sometime between September 29 to October 03, 2025 allegedly registered through non-appearance (NA). These motor vehicles were brought to our attention by our informants who were concerned about motor vehicle registration being renewed that bypassed the required proper test and inspection.

We understand that LTO-MID has the complete test records from PMVIC and PETC, thus you can help us with the requested information. Hoping that you can provide us with the requested LTO-MID records sourced from the data repository server, of their PMVIC inspection and/or PETC emission test, or if these vehicles do not undergo any test and inspection, for us to determine the veracity of the reported complaints.

May we also politely remind you that your obligated response to inquiries about illegal activities is covered by Republic Act 6713, the Code of Conduct and Ethical Standards for Public Officials and Employees.

Respectfully yours,

A handwritten signature in black ink, appearing to read "Bernardo S. Chang, Jr.", is written over a faint, larger version of the same signature.

**Subject:** **CONCLUSIVE FINDINGS OF NON-APPEARANCE**

Dear Sir:

We would like to express our sincere appreciation for your office's continued openness to our inquiries. We particularly value your letter dated November 28, 2025 that responded to our inquiry concerning four (4) instances of motor vehicles allegedly registered through "non-appearance" (NA). We appreciate your division's effort to provide data suggesting that the LTO-MID database contains complete testing records for these vehicles.

However, a careful review of the attached PMVIC test results reveals a critical, uniform discrepancy that confirmed that these vehicles did not undergo inspection and testing, hence "non-appearance":

1. **Uniform Negative Mileage:** All inspection reports attached to your November 28, 2025, response uniformly record the figure "-1233" (negative one thousand two hundred thirty-three) under the column for **Mileage Diff.**
2. **"-1233" is impossible and shows non-compliance:** Four distinct motor vehicles, inspected at different times, possess the exact same, mathematically impossible, negative mileage (odometer) reading. This anomaly strongly contradicts the assertion of a regular inspection, hence conclusively "non-appearance".
3. **Violation of Mandate:** The proper inspection procedure requires the PMVIC to truthfully read and record the vehicle's physical odometer (mileage). The consistency and value of "-1233" strongly indicates that no inspection has been done, which is directly contrary to **Republic Act 8749 (The Philippine Clean Air Act of 1999), Section 21(d)**, which establishes odometer (mileage) recording as a requirement of the National Motor Vehicle Inspection and Maintenance Program.

As outlined in DOTr DO 2023-008, the LTO-MID's data-repository and the PMVIC system are required to be secure, transparent, and resistant to manipulation. Given the anomalies identified, we believe it is the right time for LTO-MID to review and enhance the system to prevent these instances of "non-appearance" from recurring. PETCOA welcomes the opportunity to collaborate with LTO-MID to improve these critical procedures. Your prompt attention to this matter will be a significant step toward ensuring accountability and upholding the regulatory standards of the Land Transportation Office.

Respectfully yours,

**BERNARDO S. CHANG, JR.**

*Chairman, PETCOA*

**Subject:** Response to Alleged Non-appearance in Vehicle Testing And Registration.

Dear Mr. Chang,

This refers to your letter dated 21 November 2025 concerning the alleged non-appearance in vehicle testing and registration of the motor vehicles identified therein.

After a thorough verification of our internal records, including a cross-check with the PMVIC database, we respectfully clarify that the inspection dates recorded in the PMVIC system are fully aligned with the corresponding dates of registration renewal processed through E-Patrol NCR. This confirms that all subject motor vehicles properly underwent the required inspections in accordance with existing regulations.

Moreover, based on the results of our verification, no evidence of emission testing fraud, bypassing, or any form of irregularity was observed in the conduct of the inspection and registration procedures.

Refer to the attached test results for your reference.

Respectfully yours,

A handwritten signature in blue ink, appearing to read "Claudio B. Bonsol Jr.", written over the printed name.

 Assistant Secretary  
**Land Transportation Office**  
 East Avenue, Diliman  
 Quezon City 1101

Subject: **REPORTS ON ALLEGED NON-APPEARANCE (NA) IN VEHICLE TESTING AND REGISTRATION: REQUEST FOR INVESTIGATION (3)**

Dear Asec. Lacanilao,

Allow us again to report and request your thorough investigation on the alleged incidents of "Non-Appearance" (NA) in vehicle testing and registration. Attached to this letter are four (4) cases of suspected "non-appearance" bypassing emission and roadworthiness inspection and testing, channeled through the LTO E-Patrol which nevertheless resulted in these motor vehicles' renewal of registration.

	Plate Number	MV File Number	Description	Date Registered	LTO District Office
1	130306	130300000980665	MC	11/07/2025	9000
2	816UNN	136600000493056	MC	11/07/2025	9000
3	WOF890	034000000437242	Hatchback	11/13/2025	9000
4	CSM606	038600000022178	UV Passenger Van	11/13/2025	9000

We respectfully request that you conduct a thorough investigation and appropriately penalize all parties involved to effectively put a stop to these notorious and destructive NA activities that are destructive to the environment caused of uncontrolled emission, total disregard of road safety, and negatively reflecting on the good image of LTO.

Should you require any further information, PETCOA is very willing to extend our full assistance.

Respectfully yours,

**BERNARDO S. CHANG, JR.**

Dear **Mr. Chang**:

This is to acknowledge receipt of the copy you furnished this Office of your letter<sup>1</sup> dated 03 January 2026, with attachment, addressed to Markus V. Lacanilao, Assistant Secretary, Land Transportation Office.

Please be advised that as your letter was addressed primarily to Assistant Secretary Lacanilao and simply copy-furnished to other government offices including the Office of the Ombudsman, this would not qualify as a document to be automatically subjected to the evaluation procedures of this Office. And while acknowledgement receipt of your document was made, neither would the Office of the Ombudsman perform archival or retrieval functions for the same. Our records bureaus, which have limited space and resources, can only serve as repository of pleadings and related documents for proceedings that are our own.

Thank you.

Very truly yours,

**Subject : Urgent Report on LTO System Manipulation and "Non-Appearance" Registrations**

Dear Asec. Lacanilao,

This letter serves as a formal follow-up to our previous findings and correspondence addressed to your office and LTO MID Chief Claudio Bonsol. We are writing to present additional evidence of systemic manipulation within the LTO registration process, specifically regarding "non-appearance" (No-Show) cases that bypass mandatory safety and environmental protocols.

We urgently seek your intervention to dismantle the vulnerabilities within the registration system that allow these fraudulent activities, as these manipulation compromises the integrity of the entire LTO database. These "spiteful system set-ups" directly undermine the government's commitment to the Clean Air Act, the mitigation of air pollution, and the promotion of national road safety. Furthermore, if left unaddressed, this exploitation of the LTO registration process reflects poorly on the President's broader mission to combat corruption and foster a transparent environment for local and international investment.

To illustrate the severity of this issue, we have documented two recent instances of system manipulation:

Vehicle Description	Vehicle ID	Findings/System Manipulation
<b>Honda Motorcycle</b> (Temp Plate #010102)	MV File #0000656832	<b>Inspection Failure Bypass:</b> The vehicle officially failed its inspection on March 6, 2024 (MVISR# B0001000000178512). <sup>1</sup> Despite the "FAILED" result, the LTO IT System allowed the inspection to be bypassed, enabling the vehicle to be registered successfully. <sup>2</sup>

<sup>1</sup> MVISR, Annex A presented at the last page of this letter.  
<sup>2</sup> LTO OR, Annex B presented at the last page of this letter.

<b>Truck Tractor Head</b> (Plate #CAY3586)	MV File #00000112780	<b>Insurance Requirement Bypass:</b> The vehicle was registered on June 5, 2025. <sup>3</sup> However, the insurance policy (Policy #CV-BDO11-19220707) was not issued until June 9, 2025. <sup>4</sup> The LTO IT System bypassed the mandatory prerequisite of valid insurance coverage at the time of registration.
---	-------------------------	--

These examples represent only a fraction of the problem. The emission industry noticed a spike of non-appearance since the implementation of the LTO memorandum<sup>5</sup> requiring dual transmission of test data. Our data suggests that these manipulations are part of a larger trend, with potentially more than two hundred thousand (200,000+) monthly instances occurring across the country.

As dedicated advocates for Clean Air and ethical business practices, we respectfully submit the following recommendations for your immediate consideration:

- **System Audit:** A thorough and immediate review and audit of the LTO registration system by competent, independent authorities preferably external auditors to identify and close these loopholes.
- **Use of a single fraud-free registration system that supports LTO's "Strictly implement a zero-corruption non-appearance policy framework (Point 1):** One government-run LTO registration system that is transparent and open to public scrutiny to establish integrity and accountability.

We remain committed to supporting the LTO in enforcing the integrity of the registration process. We look forward to your affirmative action on this matter.

Sincerely,

**BERNARDO S. CHANG, JR.**

ANNEX "O"

February 3, 2026

**Bernardo S. Chang, Jr.**  
*Chairman, PETCOA*

**Subject:** Response to the report on LTO System Manipulation and "Non-Appearance" Registration

Dear Mr. Chang,

This is in response to the Report letter dated 23 January 2026 regarding LTO System manipulation and "non-appearance" registration. As per checking on LTMS there is a MVISR inspection with the reference number B0001000000178512 which is failed due to failed result in emission testing. Upon checking the motor vehicle inspected has no transaction in LTMS and with the Official Receipt attached to the report it is shown that the vehicle is transacted under the LTO IT System which the MID doesn't have a access.

Regarding on the second concern on Truck Tractor Head with plate number CAY3586 it is also transacted under the LTO IT System.

The MID recommending to forward this concern to Operations Division to check and validate this concern.

Thank you for your kind consideration.

Respectfully,

Respectfully yours,

  
**CLAUDIO B. BON SOL JR.**
