MEMORANDUM GGP 072025-002

TO : Regional Director (Region I)
Regional Director (Region IV-A)
Regional Director (Region IV-B)
Regional Director (Region VII)
Regional Director (Region X)

SUBJECT : IMPLEMENTATION OF MEMORANDUM DATED 30 JUNE 2025
AMENDING MEMORANDUM DATED 23 JUNE 2025

DATE : 07 July 2025

On 23 June 2025, this Office issued a memorandum suspending the operation of the Memorandum dated 28 October 2021, entitled "*Conduct of Manual and Visual Inspection of Motor Vehicles in All District and Extension Offices*," in the specified provinces.

However, in response to reports that some motor vehicles registered through Private Emission Testing Centers (PETCs) are bypassing the mandatory inspection, a subsequent memorandum dated 30 June 2025 was issued, imposing administrative sanctions on those who disregard LTO office orders and established registration procedures.

Effective immediately, the memorandum dated 23 June 2025 is hereby suspended, and the strict implementation of the memorandum dated 30 June 2025¹ is hereby ordered.

For guidance and strict compliance.
