MEMORANDUM

TO : All Regional Directors
All Assistant Regional Directors
All Personnel Concerned

SUBJECT : LIST OF GEOGRAPHICAL AREAS OF RESPONSIBILITY (GAOR)
FOR AUTHORIZED PRIVATE MOTOR VEHICLE INSPECTION
CENTERS (PMVICs)

DATE : 06 August 2021

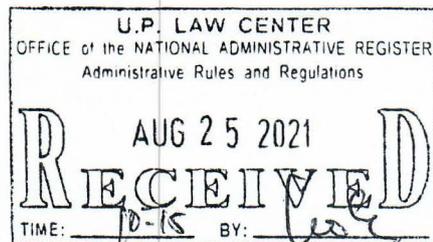

DOTr Memorandum Circular No. MC-SC-2021-02 directs LTO to “establish the GAOR for every authorized PMVIC for purposes of determining compliance with the emission and inspection requirements for the renewal of registration of light vehicles and motorcycles”.

In compliance thereto and in order to ensure that all covered motor vehicles prior to registration are road worthy and compliant with the accepted emission standards, the conduct of inspection of motor vehicles prior to registration by PMVICs shall be mandatory in their respective GAOR, as shown in the attached list (Annex 1).

Accordingly, ocular roadworthiness inspection of **light vehicles** and **motorcycles** being conducted by **LTO personnel** assigned to offices within the identified GAOR of PMVICs shall be **discontinued**. For **heavy vehicles (gross vehicle weight is equal to 4501 kgs and above)**, however, ocular roadworthiness inspection shall still be done by LTO personnel and emission testing by the PETC within the same GAOR.

For guidance and strict compliance.
